Beasties to Besties · Clan Lantern Bearers

Bethany Beach Firefly Lantern

CUT ON THE DASHED LINE · 5 × 5 IN

1. Print this page on thin, plain printer paper. Set your printer to 100% (actual size).
2. Cut out the firefly square on the dashed line.
3. Cut a window in one side of a paper lunch bag, a little smaller than your square.
4. Tape the firefly inside the bag, picture facing out, so it covers the window.
5. Set a flameless candle in the bottom of the bag and watch your firefly glow.
